Lakeridge High School promotes a respectful community where each individual is responsible for contributing to excellence, let it begin with us!
The Community
Lake Oswego is a suburban residential area eight miles from Portland, Oregon with a population of approximately 37,000. It is comprised primarily of business and professional people. The community demonstrates strong support of academic achievement through cooperative alliances with the school district.

The School
Lakeridge High School is a four-year comprehensive public secondary school, which offers a challenging course of study aimed at meeting the needs of a predominately college-bound student body. Lakeridge is accredited through the Northwest Association of Schools and Colleges. An alternating day schedule with four 90-minute classes daily is offered to all students. Extensive student activity programs include athletics, drama, music, dance, speech, clubs and student government.

Grading System
Students receive letter grades based on their achievement in each class. A letter grade is based on the teacher’s professional evaluation of student achievement and mastery of course content. Grade point average is determined using a four-point system for non-weighted class and a five-point system for weighted classes.

### Dual and Concurrent Credit
The dual and concurrent credit program provides Lakeridge students the opportunity to enroll in rigorous college level courses while attending Lakeridge High School. These classes are taught by Lakeridge teachers with advanced degrees in their respective fields. Students earn transferable college credit from Portland State University, Portland Community College, and/or Clackamas Community College.

### Activity Groups

### Athletics
- **Baseball**
- **Basketball**
- **Cheerleading**
- **Cross Country**
- **Dance Team**
- **Equestrian**
- **Football**
- **Golf**
- **Lacrosse**
- **Skiing & Snowboarding**
- **Soccer**
- **Softball**
- **Swimming**
- **Tennis**
- **Track**
- **Volleyball**
- **Water Polo**
- **Wrestling**

### Counseling Department
The comprehensive counseling program includes components from all four of the student development domains that are included in the Oregon Framework: academic development, personal-social development, career development, community development. Services related to college counseling include: assisting students with curriculum choices, test preparation and registration, post high school planning, college applications, college admission requirements, college representative visits and financial aid.

Lakeridge High School Counselors:
- Brent Prasnikar, (A-Di)
- Debra Stevens, (Dj-Kh)
- Oliva Young (Ki-Pq)
- Lee Brown, (Pr-Z)

Counseling Office Secretary, Julie Batson
(503) 534-2320

### About Accelerated Courses of Study

*Denotes weighted-GPA courses

**Biology is a college-prep science class. This lab-based curriculum is based on the molecular and cellular approach to the study of life and, therefore, involves the learning and application of complex processes.

***Human Physiology is an advanced level junior/senior science course. This lab-based curriculum carries the prerequisites of successful completion of Biology and Chemistry. This course requires a college text as well as high-level laboratory work.

Highest possible rating by the Oregon Department of Education
