   Team Selections – Jan 13th, 14th, & 15th
   • During the team selection process, players should attend every day. If you are unable to attend any day, it is your responsibility to let a coach or the front office know.
   • Players will be divided into teams as equally as possible by assessing talent and numbers. If the student decides not to play basketball, it is important to notify us ASAP!
   • Rosters will be posted by noon on Thursday January 16th.
   • Practices begin Friday, January 17th. The season concludes no later than March 6th.

Practices & Games
• **Participation will take place between 4:00 and 7:15** depending on the number of teams. You will receive a schedule detailing all your practice, game and bus times.
• Each team will practice or have a game 4 days each week Mon – Fri, unless there is no school day or a half-day. Practices and games will be about one hour in duration.
• Each team will play 8-10 games during the season. The season ends prior to winter break.
• Uniforms will be issued to each player – You are responsible for these during the season and they must be returned following the last game. Fees will be assessed for any missing pieces.
• One-way transportation will be provided to away games. Students must provide their own transportation home. If a child will be riding home with someone other than a parent, coaches must have written permission from a parent. This is a safety issue – thanks for your help.

**By participating in the basketball program, you are expected to attend all practices and games unless you are excused due to illness or an emergency.**
If you are absent from school, you may not attend the practice or game that same day.
