

20/21 Forest Hills Yearbook

School has looked a little different than it has in the past. We think our yearbook should, too!

We need your help filling the book with photos of the kiddos and how they have been spending their time during this strange school year.

In addition to class portraits*, we'd love to get photos of your kids enjoying:

- ❖ PTO sponsored activities (i.e. OBOB, Wreath Sale, etc.)
- ❖ Cooking/baking
- ❖ Hobbies
- ❖ Learning new skills
- ❖ Board games
- ❖ Best books read
- ❖ Favorite movies and tv shows
- ❖ Outdoor play/exercising
- ❖ Pets
- ❖ Favorite Masks
- ❖ Zoom/remote learning

The 20/21 Yearbook Theme:

There are **TWO** ways to send your photos:

1. Download the App – Image Share by Balfour

- Available for Apple and Android
- Create an Account with **PROJECT CODE: 125490**
- Verify Account with Confirmation Code sent to your email address and create Username and Password
- Forest Hills does not utilize Upload Code so leave it blank!
- Select photos from your phone's image library and upload up to 5 photos at a time (current students only, please).
- After selecting images to upload → Add student's name, Teacher and topic (i.e. pets, cooking, etc.)
 - **TIP:** Use arrows to add info to each photo before selecting "upload" or select "apply to all photos" if info is the same for all photos.
- Select upload and you're done

2. Have too many images to easily upload with the app?

- Great problem & easy fix! We will send you a google drive link and you can upload your photos there. Send an email to Sara Kochavatr @ skochavatr@gmail.com and she'll respond ASAP!

NOTE: All photos are due by April 2, 2021. An additional request will be made to 5th grade parents for that section of the yearbook.

*Student Yearbook Portraits Will Also Look a Little Different This Year!

The Forest Hills Yearbook Committee is committed to telling the story of the 2020-2021 school year, and it wouldn't be complete without student portraits!

Due to the timing of our return to school, we are unable to use the usual student portraits for the yearbook. But not to worry! We've teamed up with Balfour, our yearbook vendor, to provide an easy way to submit your child's portrait for inclusion in the yearbook. This tool, called **EZPix**, helps you upload, crop and submit a picture of your student directly to the yearbook staff! Your student's portraits will appear in his/her grade section of the yearbook.

**** Please be on the lookout for an email from Balfour the week of 3/8 all about how to upload the portrait and don't forget to check your spam folder! If you're curious to see a preview of the process you can [watch this video](#).**

Note: Traditional student portraits will still be taken as they have in past years and you will be able to purchase them, as always, though they will not be ready in time to include in the yearbook. In the meantime, have some fun capturing your kiddo's personality and upload your favorite shot to EZPix!

A unique year should be remembered in a unique way!

Please feel free to have fun with your child's yearbook photo!

- Crazy hair, don't care? Perfect!
- Want to take a photo with your child's favorite "classmate", Fido? Great!
- School uniform is pajamas and a teddy bear? We love it!
- Other creative ideas? We welcome them**!

Please just be sure to follow the directions in **EZPix** to ensure we have a well-cropped, book ready photo.

We look forward to seeing your submissions!

**** Keep 'em yearbook appropriate, please! ;)**
