Mission:
We are a learning community dedicated to creating a culture of belonging and educational excellence.

Vision:
We inspire students to be critical thinkers who are empowered to contribute positively in a complex world.

Background:
On February 7, 2022, the Lake Oswego School Board issued a resolution recognizing Equitable Academic Outcomes to be a new school board advisory committee in line with its strategic plan priorities. By providing tools, support, and experiences needed to achieve academic success, we prepare each student to demonstrate grade-level proficiency. The acquisition of skills that prepare students for postsecondary success in college and careers will move them toward reaching their potential and achieving their dreams.

The committee’s perspectives and work will be critical to understanding the district’s efforts and provide deeper insight into the needs of student focal groups experiencing inequities, the feasibility of implementing change, and the effectiveness of current initiatives.

Committee Charge:
The Committee will provide a platform for the community to come together to:

1. Review curriculum framework to ensure that it supports the needs of each and every student.
2. Review professional development offerings to support effective implementation of equitable instructional practices (i.e. UDL, Culturally Responsive Teaching, MTSS)
3. Review MTSS framework and practices to ensure equitable support for all students.
4. Review academic outcome metrics and ensure oversight and accountability toward eliminating inequities in academic outcomes.

They will be charged with helping to shape equitable academic outcomes for all students in a diverse learning community to which they will advise the School Board and support superintendent committees in identifying opportunities.
