Mission:
We are a learning community dedicated to promoting Health and Resiliency for all students and staff in LOSD.

Vision:
We inspire students to be critical thinkers who are empowered to contribute positively in a complex world.

Background:
On February 7, 2022, the Lake Oswego School Board issued a resolution recognizing Promote Health and Resiliency to be a new school board advisory committee in line with its strategic plan priorities. The committee’s perspectives and work will be critical to understanding the district’s efforts and provide deeper insight into the social, mental and physical health of students and employees.

Committee Charge:
The Committee will provide a platform for the community to come together to:

1. Review framework to support the conditions that support the whole child in supports, services, counseling, teaching practices, and relationships between staff and students.
2. Review current structures to support wellbeing, model and provide healthy nutrition, and encourage active lifestyle.
3. Review district systems that prioritize counseling to support social-emotional and mental health and Extend resources to parents-guardians and community.
4. Review health metrics and ensure oversight and accountability toward eliminating inequities in health outcomes.

They will be charged with helping to address the needs of the whole child in a culture that models and values health and wellbeing, to which they will advise the School Board and support superintendent committees in identifying opportunities.
