

Lake Oswego School District

Teach and Practice Sustainability Advisory Committee Charter

Mission:

We are a learning community dedicated to creating a culture of belonging and educational excellence.

Vision:

We inspire students to be critical thinkers who are empowered to contribute positively in a complex world.

Background:

On February 7, 2022, the Lake Oswego School Board issued a resolution recognizing Teaching and Practicing Sustainability to be a new school board advisory committee in line with its strategic plan priorities.

The committee's perspectives and work will be critical to understanding the district's efforts and provide deeper insight into the needs of student focal groups experiencing inequities, the feasibility of implementing change, and the effectiveness of current initiatives.

Committee Charge:

The Committee will provide a platform for the community to review our campuses, buildings and grounds, in terms of resiliency, efficiency, and minimizing our carbon footprint.

Information to Consider

1. District mission statements for energy conservation and sustainability to be aligned with the strategic plan;
2. Professional development for addressing environmental literacy through a comprehensive climate change curriculum across all content areas, including environmental equity, social justice, and economic impacts.

They will be charged with helping to shape our movement towards preserving and sustaining our shared resources while accelerating our students' ability to combat climate change, to which they will advise the School Board and support administrative committees in identifying opportunities.

Committee Membership:

The Lake Oswego School Board will create a standing advisory committee focused on teaching and practicing sustainability. Committee membership will be offered, but not limited to, representatives of the student body, teaching faculty, classified employees, district administration, parent/guardian and community. Up to 10 members on the advisory committee. A Committee Chair will be selected from the committee. The committee will be working with the Executive Director of Project Management, the Sustainability Teacher on Special Assignment, and the Liaison from the Lake Oswego School Board who will provide oversight.

Meeting Dates:

- The Committee will meet monthly from September to May or as requested by the Committee Chair, School Board, or District Staff.
- Committee meetings are advisory and not related to formal decision-making by the Lake Oswego School Board. Committee meetings may, at the discretion of the committee, include opportunity for public comment.
- The Lake Oswego School District Project Management team will provide support and staffing to the Committee.
- The Lake Oswego School District staff will provide necessary technical and administrative assistance as follows:
 - a. A meeting room, including any necessary audio/visual equipment;
 - b. Preparation and copies of any documentary meeting materials, such as agendas and reports; and distribution of those materials to the committee in a timely manner;
 - c. Preparation of Committee meeting minutes and posting for public viewing and use on the Lake Oswego School District website; and
 - d. Lake Oswego School District staff will attend committee meetings.

Terms of Office:

1. A term of appointment shall be two years. Committee advisory members shall serve no more than two consecutive terms.
2. Individuals who have served less than one year as an appointee to fill the unexpired term for an individual who has resigned, moved from the area, dropped because of irregular attendance, etc., shall be eligible for an appointment to a full term. Individuals may not serve on more than one advisory committee at the same time.
3. The membership year shall be July 1 through June 30 of the following year.
