Our Community

A beautiful lakeside community with mountain views, Lake Oswego is located ten miles south of Portland, Oregon. Primarily a residential community with a population of approximately 40,000, Lake Oswego features the best of two worlds: the sense of community and quality of life that are part of small-town living, as well as immediate access to a culturally vibrant, metropolitan city.

Our School

Lake Oswego High School is a four-year comprehensive public secondary school that offers a challenging course of study aimed at meeting the needs of a predominately college-bound student body. LOHS is accredited through the Northwest Association of Schools and Colleges. An alternating A day/B day schedule with four 90-minute classes daily is offered to all students. Extensive student activity programs include athletics, drama, music, dance, speech, clubs, and student government.

Of the 86 faculty members, 94% hold a Masters degree. Student enrollment is approximately 1,300 students.

Graduation Requirements

The Lake Oswego School District requires a minimum of 25 credits for graduation in the following areas:

Grading System

Students receive letter grades based on their achievement in each class. A letter grade is based on the teacher's professional evaluation of student achievement and mastery of course content.

Grade point average is determined using a four-point system for non-weighted classes and a five-point system for weighted classes. The grade point average and the weighted grade point average will be reported on student transcripts.

Grade	Description	Grade Point Value	Weighted
A	Excellent	4.00	5.00
B	Above Average	3.00	4.00
C	Average	2.00	3.00
D	Minimum Passing Grade	1.00	2.00
F	Failing to Meet Standard	0.00	0.00

U	Unsatisfactory (not factored in GPA)		

⇒ In addition, the non-counting grades of W (withdrawal) and W/F (failing at time of withdrawal) may be assigned.

⇒ We do not rank, but we do recognize weighted GPA.

⇒ Current Senior Class size is 288.

2020-2021 COVID-19 Changes

Our schedule switched from an 8 period semester schedule where class sessions occur on alternating days (A day/B day), to a 4 period quarter schedule where class sessions occur everyday. We limited some course offerings to allow smaller class sizes for social distancing. The school year began with all students fully online through the first quarter of the school year, and this could continue further into the year if State and local officials require schools to remain online. The Oregon Department of Education waived the Essential Skills and Personalized Learning requirement for the Class of 2021.
