Athletic Director, Terry Moore**

The Community

Lake Oswego is a suburban residential area eight miles from Portland, Oregon with a population of approximately 37,000. It is comprised primarily of business and professional people. The community demonstrates strong support of academic achievement through cooperative alliances with the school district.

The School

Lakeridge High School is a four-year comprehensive public secondary school, which offers a challenging course of study aimed at meeting the needs of a predominately college-bound student body. Lakeridge is accredited through the Northwest Association of Schools and Colleges. An alternating day schedule with four 90-minute classes daily is offered to all students. Extensive student activity programs include athletics, drama, music, dance, speech, clubs and student government.

Grading System

Students receive letter grades based on their achievement in each class. A letter grade is based on the teacher's professional evaluation of student achievement and mastery of course content. Grade point average is determined using a four-point system for non-weighted class and a five-point system for weighted classes.

Grade	Description	Grade Point Value	Weighted Grade Point Value
A	Excellent	4.00	5.00
B	Above Average	3.00	4.00
C	Average	2.00	3.00
D	Minimum Passing Grade	1.00	2.00
F	Failing to Meet Standard	0.00	0.00
S	Satisfactory	Not factored in GPA	
U	Unsatisfactory	Not factored in GPA	

Graduation Requirements

English	4.0	Second Language	2.0
Mathematics	3.0	Physical Education	1.0
Science	3.0	Health	1.0
Social Studies	3.0	Fine Arts	1.0
Communication	0.5	Electives	6.5

The Lake Oswego School District requires a minimum of 25 credits for graduation in the above areas. The Oregon State Standard Diploma requires a minimum of 24 credits.

College Attendance

Of the 265 Lakeridge graduates in 2018, 88% reported that they planned to enroll in post-secondary education. Of those, 71% plan on attending a 4-year college and 17% plan on attending a 2-year college.

About Accelerated Courses of Study

*Denotes weighted-GPA courses

**Biology is a college-prep science class. This lab-based curriculum is based on the molecular and cellular approach to the study of life and, therefore, involves the learning and application of complex processes.

***Human Physiology is an advanced level junior/senior science course. This lab-based curriculum carries the prerequisites of successful completion of Biology and Chemistry. This course requires a college text as well as high-level laboratory work.
