2017-18 AdvanED Accreditation for Lakeridge High School...Parent Help Needed

AdvancED is the largest community of education professionals in the world. They are a non-profit, non-partisan organization that conducts rigorous, on-site reviews of a variety of educational institutions and systems to ensure that all learners realize their full potential. In an effort to continue to bring your child the best education that prepares them for their postsecondary experience, Lakeridge will engage in a review with Advanced ED in March of 2018. As we prepare for this review we are asking staff, students and parents to complete surveys about their perceptions of the work being done here at Lakeridge. Please complete this short survey at your earliest convenience. We will be using this anonymous information to assess ourselves and provide feedback to our Advanced ED review team regarding our areas of strength and our areas of focused change. Thank you for helping us prepare for this external review.

2018 PROGRAM FOR THE PARTNERSHIP FOR SCIENTIFIC INQUIRY (PSI)

The PSI Program introduces high school students to the scientific process and provides access to research scientists from OHSU, PSU and Legacy. This is a semester-long program with the opportunity to be paired with a mentor for a summer research experience. The program meets Tuesdays from 5-7:00 P.M., February-May 2018. Students must submit an application and arrange for one recommendation sent to us no later than January 1, 2018. This program is open to high school Sophomores and Juniors. For program details and application forms, visit: <https://psiprogram.weebly.com/>.

What is MORP?

Date: January 6th (change of date)

MORP (Prom spelled in reverse) is a winter semi-formal dance where typically the girls ask a date to attend with them. All students are welcome to attend. It is perfectly acceptable to go in a large group with friends, without a date. Tickets will be on sale in December but many students start making plans now so please be aware that your child may need some help navigating the difficulties of large group planning. If you have any questions or need help please email Liz Murphy (murphyl@loswego.k12.or.us) or Derek Abbott (abbottd@loswego.k12.or.us).

Holiday Season Request

As the holiday seasons approach, we are asking families who are in a place to do so, to consider donating grocery store gift cards to Lakeridge High School. Our counseling department and administration will use the gift cards to help our Pacer families who are in financial need. If interested, we invite you to drop off the gift cards to Corey Fivecoat in the

main office and we will provide you with a letter that you can use for tax purposes. Thank you in advance for considering this opportunity to help others. If your family is in need of extra help during the holidays please let your counselor know. #pacerlove

Key Club Giving Tree

Get into the giving spirit by making the wish lists of families at Raphael House and River Grove come true! To do so, just take a tag off the Giving Tree— in the hallway near the counselor's office— and then return the purchased gift to F-33. These gifts will be wrapped and delivered to the families. Thank you, and happy holidays!

Art Supply Drive

Multicultural Club is having a charity drive for Kateri Park, an organization that provides free or low cost housing to refugees in Portland. They also have a preschool for refugee children, but they are underfunded and need our help, so we have organized a school and art supplies drive! Bring any school and/or art supplies to school for the week of November 13th-17th. Think crayons, colored pencils, markers, glue sticks, safety scissors, anything that would be helpful to preschool age children. There will be a donation box by the front office. Donate to help a good cause!
