AP Exam Late Registration Opportunity!

The Late Registration Window to register for AP Exams is open through 4 p.m. March 7th. During this period you will incur a $55 late fee per registration in addition to $68 per exam.

All AP exam information can be found on the AP Exams webpage, accessible from LHS’s homepage, under the Academics tab: [https://www.losdschools.org/domain/1704](https://www.losdschools.org/domain/1704).

Parents/Guardians are encouraged to review the materials too, though we strongly urge students to be present when selecting exams, as mistakes are frequently made otherwise (students know their course/exam titles and instructor “periods” best!).

Updates will continue to be posted in issues of this publication as well as on the AP Exams webpage through May. Please contact the LHS AP Coordinator, Lisa Oliva, [lhsap@loswego.k12.or.us](mailto:lhsap@loswego.k12.or.us), if you have questions.

Note: Please be aware that "AP Exam" refers to the culminating exam offered in May, at the conclusion of a student's year-long course of study in an AP class and from which a student may earn college credit. "AP Exam" does not refer to any assessment that may be associated with entry/enrollment in an AP course. For enrollment in an AP course, please see your counselor.
Antigone: Spring Play (CHANGE IN DATE)
The LHS Performing Arts Dept. brings to the stage a new version of the Greek tragedy. This adaptation, written by the students, puts a modern spin to the class story of when a family is split into two because of differing ideologies. Events spin out of control and soon the entire country is forced to choose sides. Show dates are March 8, 9, & 10 @ 7:00pm and March 10 @ 2:00pm Tickets at pacer-drama.org. Purchased tickets will still work for the seat you purchased.
President’s Volunteer Service Award

Congratulations to the following students who qualified for the President’s Volunteer Service Award! This award, which recognizes Americans of all ages who have volunteered significant amount of their time to serve their communities and their country, was granted by the Prudential Spirit of Community Awards program. Congratulations for this Honor!

**FREE Play Smart – Youth Heart Screenings**
Dates: March 14 & 15@ 8:00am-3:30pm
Location: Lakeridge High School

Providence Heart and Vascular Institute (PHVI) is pleased to offer, **Play Smart – Youth Heart Screenings Program**, a free youth heart screenings program that has been extremely successful in **screening over 18,346 youth and identifying 1,140 students or 7%** (to date) for further follow-up and treatment. Young people with undiagnosed heart defects, especially athletes, are susceptible to sudden cardiac arrest. Often there are no advance signs or symptoms and most routine physical exams will not pick up the defects. An electrocardiogram (EKG/ECG) usually is necessary to uncover signs of heart irregularities, something normally not done in “well-child” checks or even some sports physicals. In an effort to protect the hearts of area middle and high school students, **Play Smart** offers free painless, noninvasive heart-health checks to youth aged 12-18.

**Play Smart** is partnering with Lakeridge High School to offer ALL students 12-18 years old free heart screening.

**FREE Play Smart – Youth Heart Screenings @ Lakeridge High School:** March 14 & 15
Must complete 2 heart screenings forms to receive free heart screening. (Attach pdf’s of the two screening forms.)

- **Play Smart** site: [www.playsmartgetscreened.org](http://www.playsmartgetscreened.org)
• **Access video:** Go to the Play Smart main page, [www.playsmartgetscreened.org](http://www.playsmartgetscreened.org) and click on the hyperlinked "educational video" in the middle of the page. This educational video takes you through the screening process. [http://phsoregon.org/video/?view=926c2c60041d6x480x294](http://phsoregon.org/video/?view=926c2c60041d6x480x294)

**ALL forms must be turned in at the office prior to the screening.**
