

June 1, 2021

Dear LOSD Families, Staff and Community,

The Lake Oswego Fire Department is hosting several COVID-19 vaccine clinics at Lakeridge Middle School for students age 12 or older and their families. The clinics are for Pfizer vaccine first and second doses on: June 9, June 16, June 30, July 7, July 14, July 21. Following are instructions for how to participate in the clinic.

1. Schedule an appointment using this website or QR code:

Currently open for scheduling: June 9; you may schedule an appointment for other dates soon.

www.clackamas.us/coronavirus/vaccine

2. Complete Vaccination Consent Form.

For ages 12-14 years, parents/guardian consent is required. For ages 15-17, parent/guardian consent is encouraged but under Oregon law, minors 15 years of age and older may consent to their own medical treatment including vaccinations. Please print and complete consent form and bring it to the appointment. There will be extra forms available at the clinic.

3. At The Clinic.

Wear your mask and observe physical distancing guidelines.

Wear short sleeves.

There is no payment or insurance billing.

Process:

- A greeter will screen you for COVID-19 symptoms and direct you once you arrive.
- Staff will review your paperwork, and administer your vaccine.
- You will wait 15-30 minutes for post vaccination monitoring.
- If you have specific health concerns about getting the COVID-19 vaccine please ask your personal health care provider.
- If you need to cancel or reschedule, use the automated "cancel" link, and then reschedule.
