Jennifer Schiele, Superintendent
Lake Oswego School District
2455 Country Club Rd
Lake Oswego, OR 97034

Dear Superintendent Schiele:

Thank you for all the work and documentation that you and your team provided for the 2022-23 Title III monitoring, which is required under the Elementary and Secondary Education Act (ESEA).

After review of this documentation, your district was found to be in compliance with the Federal Title III requirements for ESEA for the 2022-23 school year. As such, no further action is required.

I personally want to thank the district staff who participated in the review process for their dedication and diligence in designing services that improve basic programs for the students who are most in need in the district.

We look forward to continuing our partnership with the district. If you have any further questions or concerns, please contact Kim Miller at kim.a.miller@ode.oregon.gov

Sincerely,
