

# Free COVID-19 Vaccinations

## At your appointment:

- Wear your mask and observe physical distancing guidelines.
- Complete consent form and bring it to the clinic. Additional forms will be available at the clinic.
- For age 12-14 years, parent/guardian consent is required.
- For age 15-17 years, parent/guardian consent is encouraged, but under Oregon law, minors 15 years of age and older may consent to their own medical treatment, including vaccinations.
