

LOHS Senior Parking Application 2021-2022

Attention Seniors:

If you would like to apply for a parking permit for the 2021-2022 school year, scan the QR code below or use the provided link.

Parking Related Information and Guidance:

- Parking permits are not guaranteed and are assigned randomly. Given the available space and demand, students may be assigned to park in a numbered campus space, the gravel lot, or the church lot.
- Parking spaces will be randomly distributed to all applicants after June 16th (space permitting). Submit this application, along with a payment, before June 16th for the best chances of receiving a numbered parking space. Applications and payments received after June 16th will be assigned a parking space in the following order of preference on a first come first served basis:
 - Numbered campus space
 - Gravel lot
 - Church lot
- Parking is not permitted at the Church lot on Tuesdays.
- Pay the bookkeeper \$100.00 (checks made out to Lake Oswego High School) to finalize your application. No application is final until a payment is received.
- Students may pick up their parking permit during the August registration process.
- By applying for a parking permit, you agree to all parking terms and conditions.
- Parking is only available to incoming seniors.
