### FAQ

Q: I don't want a quote in the book. Do I have to do this?

A: It's your choice whether or not to have a quote. Yearbook students will not pick one for you.

Q: Can I email you my senior quote?

A: Quotes must be submitted via the Google Form linked above. No exceptions.

Q: How long should my quote be?

A: Quotes may be a maximum of 110 characters.

Q: Can I quote a youtube link?

A: No. Only actual quotes will be accepted.

Q: I have free speech and students have free press rights. I can say what I want, right?

A: Nope. As per the Supreme Court, student speech that is libelous, vulgar or contains drug/alcohol or sexual references is not protected. These quotes may be cut without notice. Students turning in inappropriate quotes may also be referred to counselors or the school administration.
