For current 6th and 7th GRADERS
2019

Things to Know:

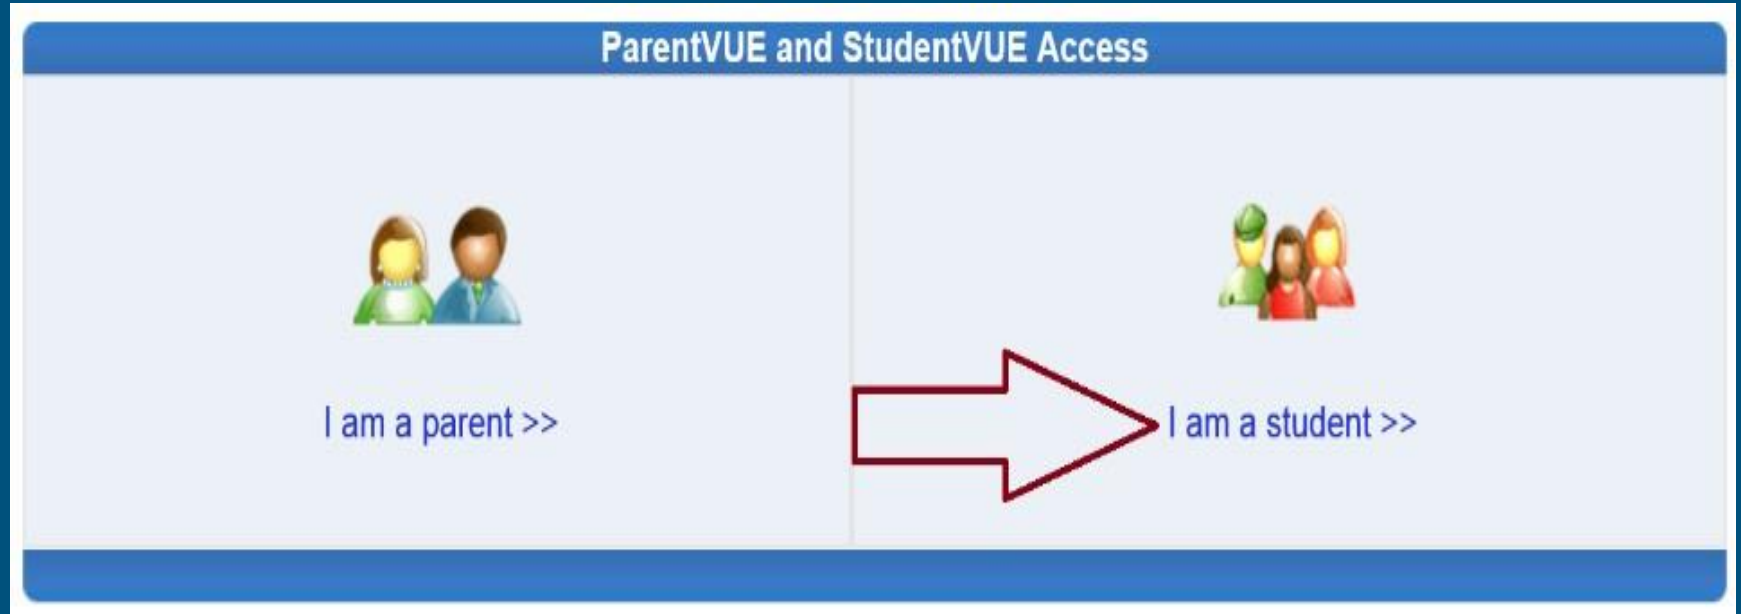

*****Forecasting is completed at home.

1. You will want to read through the curriculum guide (link below) to decide what classes you want before you forecast: *(Guide is also on the LOJ home page)*

<https://or01813384.schoolwires.net/cms/lib/OR01813384/Centricity/Domain/358/Curriculum%20Guide%202019-2>

1. If you are in a different level of a required class (**like math**) you will be forecast for the general grade level course and your counselor will update that request once we receive recommendations from your current teacher.
