Dear Parents of Incoming 6th Graders,

We are eager to meet you and your children! The process of transitioning your child from elementary school to middle school at Lakeridge Junior High will soon be underway. The LJHS counselors visit our elementary schools at the end of February to meet the 5th graders in preparation for choosing classes—a process we call forecasting—for next year. Students will bring home the forecasting information they receive during the counselors' elementary school visitations – please watch for it and then help them choose their preferred classes. Directions will be included.

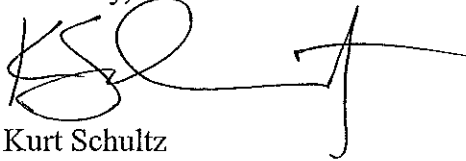

Parents are also invited to attend a brief meeting on **February 19th at 6:00 PM at LJHS** to hear about the forecasting process and the range of classes planned for next year. You are welcome to contact LJHS counselors by email or phone at (503) 534-2343 if you have questions. Determine which counselor will work with your child using the student's last name.

In May, we will hold our 6th Grade Parent Orientation Night which provides a complete overview of the middle school program. Watch for further details about that evening program as we get closer.

We look forward to seeing you on **February 19th at 6 pm** and to working with you in the years ahead as part of our LJHS Lightning family.

Sincerely,

Kurt Schultz
Principal
