Why would you like to serve on this committee?

The Lake Oswego School District uses the Equity Lens when making decisions and taking action. How would you provide value to the conversation of diversity, equity and inclusion?

As a member of an advisory committee to the School Board, how do you see your role in implementing the Strategic Plan?

Advisory committee members are appointed by the Board of Directors and site/school council members are appointed by the school principal. Appointees are selected from the completed applications; emails and letters of interest will not be considered. By signing below, I acknowledge that I have read the specific committee charter for which I am apply and I agree to the duties and responsibilities of a committee member.

Signature _____ Date _____

Please return completed form to your school principal or lead administrator of the committee for which you are applying.
