

**In-District Transfer Request
School Year 2024-25
Elementary (Grades K-5)**

Geographical boundaries determine the attendance area for all Lake Oswego School District resident elementary schools. LOSD allows transfers among schools based on grade-level and school capacity.

District guidelines for allowing transfers between LOSD elementary schools:

1. Student must be enrolled in resident LOSD school before submitting a transfer request.
2. Space must be available in the grade-level, program, and/or school requested.
3. Transportation must be provided by the family to the school requested.
4. The approved request is valid only for the current school year. Requests for subsequent years must be submitted annually, and approved based on space available.
5. Enrollment for subsequent years is not guaranteed.

District assumptions:

1. As long as the space is available, families should have the option of selecting any of the district's elementary schools.
2. Although we often question the reasoning for the transfer request, we do not question the truthfulness of the parent's characterization of the situation.
3. Placement of students in specific special education programs are decisions made at IEP meetings.

LOSD admits students to all the rights, privileges, programs and activities generally accorded or made available to all students in the schools. It does not discriminate on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, marital status, age, or disability in administration of its educational policies, admission policies, athletic programs, or in any other way. This extension of privileges does not apply to the district's fee waiver and reduction program.

Complete this form and submit it via email to losdtransfer@loswego.k12.or.us. Requests are due by June 1, 2024.

Parent/guardian check list:

I have read and completed all sections and signed the form.

If requesting a transfer for more than one child, I have completed a separate form for each child.

I have read and understand the District Guidelines and District Assumptions as it relates to transfers.
